

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

INTRODUCTORY.

Hon. Justus S. Stearns, Secretary of State,
Lansing, Michigan:

My Dear Sir—In compliance with your request I submit to you this compilation of the General School Laws of 1899, the same to be published and distributed in accordance with the provisions of act No. 44, Public Acts of 1899, for the use of all persons having official charge of the public schools of Michigan.

In making this compilation we have quoted from the Compiled Laws of 1897, making such additions and explanatory comments as became necessary through the enactments of the legislature of 1899. The numbers in parenthesis refer to the Compiled Laws, as also the chapters numbered in Roman; the section numbers correspond to those of the Public Acts.

Near the back part of this book it will be noticed that these numbers are not consecutive, but this is readily understood from the following comments:

1. The law for Uniformity of Text Books, being section 4781-4790, was repealed and therefore does not appear.

2. That part of the law referring to Teachers' Associations, the safe keeping of public moneys, the prevention of crime and punishment for truancy, is taken from different portions of the Compiled Laws of 1897.

I desire to call attention to the addition of the laws referring to the powers and duties of the State Board of Education in the control of the State Normal Schools, and the granting of degrees, diplomas, and certificates.

The laws enacted by the legislature of 1899, *amending* previous laws referring to education and the public schools, have been inserted in their proper places, with explanatory marginal notes. The new laws enacted are the following:

1. An act to change the name of the Michigan State Normal School at Ypsilanti.

2. An act to provide for the establishment of a Normal School at Marquette.

3. An act to provide for the establishment of loan funds for the assistance of students desirous to attend our higher institutions of learning.

4. An act to create a State Library Commission.

5. An act to maintain day schools for the deaf.

6. An act to provide for the publication and distribution of laws and public documents.

By reason of the reprinting of annotations, the publication of what was

designated as "Appendix A" in previous editions is no longer necessary. We, however, print as an appendix what was known as "Appendix B." Attention is also called to the note regarding apportionment of the dog tax, and the printing and distribution of the legislative Manual and annual report of Superintendent of Public Instruction.

Very respectfully yours,

JASON E. HAMMOND,
Superintendent of Public Instruction.

N. B.—Inasmuch as following the Compiled Laws of 1897 necessitated so many changes from the order heretofore followed, we would suggest that all other editions of school law be discarded, and this substituted therefor.—J. E. H.

CHAPTER II—FORMATION, ALTERATION, MEETINGS, AND POWERS OF DISTRICTS.

Inspectors to form districts.

(4646) SECTION 1. The township board of school inspectors shall divide the township into such number of school districts as may from time to time be necessary, which districts they shall number, and they may regulate and alter the boundaries of the same as circumstances shall render proper, subject to the provisions hereinafter made; but no district shall contain more than nine sections of land, and each district shall be composed of contiguous territory, and be in as compact a form as may be.

May alter boundaries of.

How. 5033.

On the subject of primary schools, see R. L. 1827, p. 448; R. L. 1833, p. 129; laws of 1835, p. 114; 1836, p. 49; 1837, p. 116; 1838, p. 4; R. S. '38, ch. 3, title 11; laws of 1839, p. 199; 1840, p. 205; 1841, pp. 9, 80; 1843, p. 88; 1845, p. 96; 1846, p. 211; R. S. '46, ch. 58; C. L. '57, ch. 78; C. L. '71, ch. 136.

PRIMARY SCHOOL SYSTEM: The whole primary school system was confided by the constitution to the legislature and it cannot be said that the officers of school districts, chosen pursuant to the system adopted by the legislature, are constitutional officers.—*Belles v. Burr*, 76 / 11. The constitution of 1850 left to the legislature, as did the preceding constitution, the establishment of a system of primary schools, restricting the legislature only by providing that a school shall be kept, without charge for tuition, at least three months in each year, and that all instruction shall be conducted in the English language. All other matters seem to be within the discretion of the legislature.—*Perrizo v. Kesler*, 93 / 283; *People v. Howlett*, 94 / 168; *Pingree v. Board of Education*, 99 / 408. Our primary school system is the pride of the state.—*People v. Howlett*, 94 / 169.

FORMATION OF DISTRICTS: The township board of school inspectors is authorized to divide the township into such number of school districts as they may consider necessary from time to time, and may regulate and alter the boundaries of the same as circumstances shall render proper, subject to certain restrictions.—*Doxey v. Sch. Inspectors*, 67 / 603; *Brody v. Penn. Twp. Board*, 32 / 273; *Sch. Dist. v. Sch. Dist.*, 81 / 243; *Simpkins v. Ward*, 45 / 561. See *Briggs v. Borden*, 71 / 89-90. They may dissolve a school district and annex it to another.—*People v. Davidson*, 2 Doug. 121; *Brewer v. Palmer*, 13 / 107. When two districts are annexed without any other change in their boundaries, the mere fact that one number is preferred to another does not change the real character of the annexation.—*Brewer v. Palmer*, 13 / 109. When one district is annexed to another, its corporate existence

ceases and it cannot be sued for debts; the new district must be held responsible for them.—Id. But when a district is parceled out among several other districts, the latter cannot be held jointly liable for the debts of the former; whatever they are bound to pay is a several and not a joint obligation.—Halbert v. Sch. Dists., 36 / 421. But the inspectors cannot change a district formed by special act of the legislature.—Sch. Dist. v. Dean, 17 / 223. The organization of a new township severs its territory from the school district within which it was formerly embraced.—People v. Ryan, 19 / 203. See Section 4654.

INTEREST OF INSPECTORS: Where the interest of the inspectors in the formation of a school district is no greater than that of other taxpayers and residents, they are not disqualified from acting.—Clement v. Everest, 29 / 19. The interest which disqualifies.—Stockwell v. White Lake Twp. Board, 22 / 341; Peninsular Ry. Co. v. Howard, 20 / 18.

NINE SECTIONS: The policy of limiting school districts to nine sections of land has been a uniform one.—Simpkins v. Ward, 45 / 561. This means an acreage equal to nine full sections.—People v. Gartland, 75 / 143. As to graded school districts, see Section 4749.

QUESTIONING REGULARITY: The regularity of the proceedings for the formation of a district and the existence of it cannot be questioned collaterally, but only in direct proceedings.—Clement v. Everest, 29 / 19. See Sch. Dist. v. Inspectors, 27 / 3; Stuart v. Sch. Dist., 30 / 69; Lord v. Every, 38 / 406; Bird v. Perkins, 33 / 30; Stockle v. Silsbee, 41 / 621; Keweenaw Ass'n v. Sch. Dist., 58 / 437. The legality of the organization and existence of the district cannot be tested by certiorari.—Jaquith v. Hale, 31 / 430. Certiorari to review the proceedings in organizing a district will not lie after the district is actually organized and has assumed the functions of a corporation; its corporate existence must then be tested by quo warranto.—Sch. Dist. v. Inspectors, 27 / 3; People v. Gartland, 75 / 143. But there should be some special and extraordinary reason to justify interference by quo warranto with the organization of a school district, as the statutes provide a speedier remedy by an appeal from the district board to the township board.—Lord v. Every, 38 / 406. And the supreme court will not meddle with the concerns of school districts, on mandamus, except on things of substance.—Sch. Dist. v. Riverside Twp., 67 / 406.

(4647) SEC. 2. Whenever the board of school inspectors of any township shall form a school district therein, it shall be the duty of the clerk of such board to deliver to a taxable inhabitant of such district a notice in writing of the formation of such district, describing its boundaries, and specifying the time and place of the first meeting, which notice, with the fact of such delivery, shall be entered upon record by the clerk. The said notice shall also direct such inhabitant to notify every qualified voter of such district, either personally or by leaving a written notice at his place of residence, of the time and place of said meeting, at least five days before the time appointed therefor; and it shall be the duty of such inhabitant to notify the qualified voters of said district accordingly, and said inhabitant, when he shall have notified the qualified voters as required in such notice, shall endorse thereon a return, showing such notification with the date or dates thereof, and deliver such notice and return to the chairman of the meeting, to be by him delivered to the director chosen at such meeting, and by said director recorded at length as a part of the records of such district.

Township clerk to deliver notice of formation to inhabitants.

Inhabitants to serve notice of first meeting.

Return of notice.

Notice and return to be recorded.

How. 5034.

NOTICE: The board of school inspectors may under one notice, at one meeting, by separate action, detach lands from separate school districts and attach them to one district.—Doxey v. School Inspectors, 67 / 601. Irregularity in notice.—Parman v. Inspectors, 49 / 63. See Roeser v. Gartland, 75 / 144.

RECORDS: Importance of.—Sch. Dist. v. Snell, 24 / 352.

(4648) SEC. 3. In case the inhabitants of any district shall fail to organize the same in pursuance of such notice as aforesaid, the said clerk shall give a new notice in the manner here-

Proceedings in case of failure to organize district.

inbefore provided, and the same proceedings shall be had thereon as if no previous notice had been delivered.

How. 5035.

Formation of
fractional dis-
tricts.

(4649) SEC. 4. Whenever it shall be necessary or convenient to form a district from two or more adjoining townships, the inspectors, or a majority of them, of each of such adjoining townships, may form such district, to be designated as a fractional district, and direct which township clerk shall make and deliver the notice of the formation of the same to a taxable inhabitant thereof, and may regulate and alter such district as circumstances may render necessary in the same manner that other districts are altered. The annual reports of the director of such district shall be made to the inspectors of the township in which the school-house may be situated, and the inspectors of such township shall number said district.

How. 5036.

Saginaw Twp. v. Sch. Dist., 9 / 544; Brewer v. Palmer, 13 / 109.

When district
deemed organ-
ized.

(4650) SEC. 5. Every such school district shall be deemed duly organized when any two of the officers elected at the first meeting shall have filed their acceptances in writing with the director, and the same shall have been recorded in the minutes of such first meeting. Every school district shall, in all cases, be presumed to have been legally organized when it shall have exercised the franchises and privileges of a district for the term of two years; and such school district and its officers shall be entitled to all the rights, privileges, and immunities, and be subject to all the duties and liabilities conferred upon school districts by law.

How. 5037.

PRESUMPTION OF LEGAL ORGANIZATION: When a district has exercised the franchises and privileges of a school district for over two years, it is too late to question the legality of its organization.—Sch. Dist. v. Sch. Dist., 63 / 56; Sch. Dist. v. Sch. Dist., 81 / 343. The same rule which recognizes the right of officers de facto recognizes corporations de facto.—Clement v. Everest, 29 / 23. In public affairs, when the people have organized themselves under color of law into the ordinary municipal bodies, and have gone on year after year raising taxes, making improvements and exercising their usual franchises, their rights are properly regarded as depending quite as much on the acquiescence as on the regularity of their origin, and no *ex post facto* inquiry can be permitted to undo their corporate existence.—People v. Maynard, 15 / 470. As to questioning the regularity of organization, etc., see note to Section 4646.

Organization of

Director's
record of first
meeting to be
evidence.

(4651) SEC. 6. The record of the first meeting made by the directors shall be prima facie evidence of the facts therein set forth, and of the legality of all proceedings in the organization of the district prior to the first district meeting; but nothing in this section contained shall be so construed as to impair the effect of the record kept by the school inspectors, as evidence.

CORPORATE POWERS OF DISTRICTS.

School district
to be body cor-
porate.

(4652) SEC. 7. Every school district organized in pursuance of this chapter, or which has been organized and continued

under any previous law of the state or territory of Michigan, shall be a body corporate, and shall possess the usual powers of a corporation for public purposes, by the name and style of "school district number (such number as shall be designated in the formation thereof by the inspectors), of" (the name of the township or townships in which the district is situated), and in that name shall be capable of suing and being sued, of contracting and being contracted with, and of holding such real and personal estate as is authorized to be purchased by the provisions of law, and of selling the same.

How. 5039.

CORPORATE POWERS: The school district, under our statutes, is a corporation, and, as such corporation, is represented by three officers: a moderator, director and assessor. The affairs of the district are managed and controlled by them, under certain restrictions.—Sch. Dist. v. Sch. Dist., 63 / 57. A school district can take and hold bequests of money for the maintenance of a public library for the use and benefit of the residents of the district.—Maynard v. Woodard, 36 / 423. School districts, like townships and counties, are subdivisions of the state. This section gives them the capacity to sue and be sued.—Van Wert v. Sch. Dist., 100 / 333. School districts are municipal corporations.—Seeley v. Board of Ed., 39 / 486; Sch. Dist. v. Gage, 39 / 484; Belles v. Burr, 76 / 1. And cannot be garnisheed even by its own consent, unless the debtor also consents.—Id. They preceded the constitution (Stuart v. Sch. Dist., 30 / 69.), and were recognized by that instrument.—Belles v. Burr, 76 / 11.

ALTERATION OF DISTRICTS.

(4653) SEC. 8. Whenever the board of school inspectors shall contemplate an alteration of the boundaries of a district, the township clerk (and for meetings of boards to act in relation to fractional districts, clerks of the several townships interested) shall give at least ten days' notice of the time and place of the meeting of the inspectors, and the alteration proposed, by posting such notice in three public places in the township or townships, one of which notices shall be in each of the districts that may be affected by such alteration. Whenever the boards of school inspectors of more than one township meet, they shall elect one of their number chairman, and another clerk thereof.

Alterations of boundaries of districts by inspectors.

How. 5040.—Am. 1883, p. 77; App. May 10; Act 82.

NOTICE: The notice required is jurisdictional and indispensable.—Coulter v. Inspectors, 59 / 391; Sch. Dist. v. Inspectors, 63 / 611; Gentle v. Inspectors, 73 / 40; Graves v. Inspectors, 102 / 635; Passage v. Inspectors, 19 / 330; Andress v. Inspectors, 19 / 332. Proof of the posting of such notice should be filed with the clerk of the board, before any action is taken.—Coulter v. Inspectors, 59 / 391; Sch. Dist. v. Inspectors, 63 / 611; Graves v. Inspectors, 102 / 635. Where notice is not given the filing of the consent of a majority of the resident taxpayers of the districts affected will not validate the action.—Gentle v. Inspectors, 73 / 40. Notices must be posted in each township affected by the alteration.—Sch. Dist. v. Metcalf, 93 / 499. The object of the notice is to enable parties interested to be heard before any action is taken.—Gentle v. Inspectors, 73 / 45; Sch. Dist. v. Metcalf, 93 / 499. As to the provision in the former law, see Sch. Dist. v. Sch. Dist., 63 / 51.

Alteration of district.

FRACTIONAL DISTRICT: The action of the joint boards is required in case of fractional districts.—Sch. Dist. v. Sch. Dist., 81 / 343.

(4654) SEC. 9. The inspectors may, in their discretion, detach the property of any person or persons from one district and attach it to another; except that no land which has been taxed for building a school-house shall be set off into another school district for the period of three years thereafter, except by the consent of the owner thereof; and no district shall be

divided into two or more districts without the consent of a majority of the resident tax-payers of said district, and no two or more districts be consolidated without the consent of a majority of the resident taxpayers of each district.

How. 5041.

People v. Davidson, 2 Doug. 121; Brewer v. Palmer, 13 / 104. See Sch. Dist. v. Dean, 17 / 223. Gentle v. Sch. Inspectors, 73 / 45.

DISSOLVING DISTRICT: The school inspectors have power to alter boundaries of districts, and attach or detach persons, to or from any district; but no power is anywhere granted to them to disband dissolve or destroy a district, save as restricted under this section.—Briggs v. Borden, 71 / 90. As intimated in Doxey v. Inspectors, 67 / 604, the school inspectors have no authority to divide up a district and destroy it, without the consent of a majority of the resident taxpayers; nor can they destroy it by cutting it up into pieces and attaching all the territory to other districts without such consent.—Id. The terms "dissolve" and "disband" are of similar import and a vote taken to "disband" is supported by notice of a meeting to vote upon a proposition to "dissolve."—Id.

CONSENT OF OWNER: Lands taxed within three years for building a school-house, not to be set off into another district without the consent of the owner.—Coulter v. Inspectors, 59 / 391.

Persons out of
district may
be attached
thereto in
certain cases.

(4655) SEC. 10. The inspectors may attach to a school district any person residing in a township, and not in any organized district, at his request; and for all district purposes except raising a tax for building a school-house, such person shall be considered as residing in such district; but when set off to a new district, no sum shall be raised for such person as his proportion to the district property.

How. 5042.

Township clerk
to give notice
of alteration
in districts.

(4656) SEC. 11. In all cases where an alteration of the boundaries of a school district shall be made, the township clerk shall, within ten days, deliver to the director of each district affected by the alteration a notice in writing, setting forth the action of the inspectors and defining the alterations that have been made.

How. 5043.

DIVISION OF PROPERTY.

When district
is divided,
property to be
apportioned.

(4657) SEC. 12. When a new district is formed, in whole or in part, from one or more districts possessed of a school-house, or entitled to other property, the inspectors, at the time of forming such new district, or as soon thereafter as may be, shall ascertain and determine the amount justly due to such new district from any district out of which it may have been in whole or in part formed, as the proportion of such new district, of the value of the school-house and other property belonging to the former district, at the time of such division; and whenever by the division of any district, the school-house or site thereof shall no longer be conveniently located for school purposes, and shall not be desired for use by the new district in which it may be situated, the school inspectors of the township in which such school-house and site shall be located, may advertise and sell the same, and apportion the proceeds of such sale, and also any moneys belonging to the

district thus divided, among the several districts erected in whole or in part from the divided district. Proceeds of sale to be apportioned.

How. 5044.

Saginaw Twp. v. Sch. Dist., 9 / 541; People v. Ryan, 19 / 203; Ramsey v. Everett Twp. Clerk, 52 / 344; Sch. Dist. v. Riverside Twp. 67 / 404.

NEW DISTRICT: The township board has jurisdiction of appeals from decisions of the board of school inspectors fixing the amount to be paid by an old school district to a new one, where the latter comprises part of the same territory and the former retains the school property.—Pine Sch. Dist. v. Wilcox, 48 / 404. See Section 4743 as to appeals. Bill to prevent the consummation of a void apportionment.—Sch. Dist. v. Sch. Dist., 63 / 58. Bill to restrain the sale of the school-house.—Briggs v. Borden, 71 / 87. Upon the formation of a new district by the union of two or more, the new district succeeds to the credits and property and is liable for the debts of the old ones.—Brewer v. Palmer, 13 / 104; Halbert v. Districts, 36 / 421.

(4658) SEC. 13. Such proportion shall be ascertained and determined according to the value of the taxable property of the respective parts of such former district at the time of the division, by the best evidence in the power of the inspectors; and such amount of any debt due from the former district, which would have been a charge upon the new, had it remained in the former district, shall be deducted from such proportion: How proportion to be ascertained. Provided, That no real estate thus set off, and which shall not have been taxed for the purchase or building of such school-house, shall be entitled to any portion thereof, nor be taken into account in such division of district property. Proviso.

How. 5045.

DEBTS OF OLD DISTRICTS: Where the territory of a school district is absorbed by other districts, the statute contemplates that the township board of school inspectors shall make an equitable adjustment of property and debts, so as to apportion them fairly among the districts which have succeeded to the jurisdiction of that which has been divided.—Halbert v. Sch. Districts, 36 / 421. Where a school district has been subdivided and other districts set off, the debts of the original district cannot be parceled out among all by a proceeding in the courts, so as to give creditors a remedy against any but the original debtors.—Turnbull v. Alpena Sch. Dist., 45 / 496; Maltz v. Board of Education, 41 / 547. A debt once existing must remain a debt against the corporation that created it, and its obligation is not destroyed by a change in corporate limits. If contribution is required, it must be obtained by the corporation and not by its creditors, unless otherwise provided by law.—Turnbull v. Alpena Sch. Dist., 45 / 499.

DISTRICT MEETINGS.

(4659) SEC. 14. The annual meeting of each school district shall be held on the first Monday of September in each year, and the school year shall commence on that day: Annual meeting; when held. School year to commence. Provided, That any school district that shall so determine at an annual meeting, or at a special meeting duly called for that purpose, may hold its annual meeting on the second Monday of July in each year, or in the same manner may thereafter change the time of its annual meeting to the first Monday in September in each year, and the trustees and officers of the district shall date their terms of office from the date so chosen, and until their successors are elected and qualified: Proviso. Provided further, That such action, in either case, shall not change the time of the commencement of the school year, or the taking of the annual school census.

Special meetings.

(4660) SEC. 15. Special meetings may be called by the district board; and it shall be the duty of said board, or any one of them, to call such meetings on the written request of not less than five legal voters of the district, by giving the notice required in the next succeeding section; but no special meeting shall be called unless the business to be transacted may lawfully come before such meeting, and no business shall be transacted at a special meeting unless the same be stated in the notice of said meeting.

When may not be called.

Business of to be stated in notice.

How. 5047.

NOTICE: Liberal rules of interpretation must be applied to these notices, and if they be such as, under a fair construction, to give notice to the electors of the purpose for which the meetings are called, they must be held sufficient.—*Peters v. Warren Twp.*, 98 / 55.

SPECIAL MEETING: In order to constitute a legal school meeting, the evidence must show that a legal petition was presented and a legal notice of the meeting given.—*Cent. Sch. Supply House v. Sch. Dist.*, 99 / 402.

Notices of meetings.

(4661) SEC. 16. All notices of annual or special district meetings, after the first meeting has been held as aforesaid, shall specify the day and hour and place of meeting, and shall be given at least six days previous to such meeting, by posting up copies thereof in three of the most public places in the district, one copy of which for each meeting shall be posted at the outer door of the district school-house, if there be one; and in case of any special meeting called for the purpose of establishing or changing the site of a school-house, such notice shall be given at least ten days previous thereto: Provided, That when any of the district board shall receive a request to call a special meeting, as provided in the preceding section, he shall forthwith give notice, as above provided, of said meeting, which shall be called in not less than six nor more than twelve days from the time the said officer shall receive the notice aforesaid. No annual meeting shall be deemed illegal for want of due notice, unless it shall appear that the omission to give such notice was wilful and fraudulent.

Who qualified to vote at school meetings.

(4662) SEC. 17. Every citizen of the age of twenty-one years, who has property assessed for school taxes in any school district, and who has resided therein three months next preceding any school meeting held in said district, or who has resided three months next preceding such meeting on any territory belonging to such district at the time of holding said meeting, shall be a qualified voter in said meeting upon all questions, and all other citizens who are twenty-one years of age, and are the parents or legal guardians of any children included in the school census of the district, and who have for three months as aforesaid, been residents of said district or upon any territory belonging thereto at the time of holding any school meeting, shall be entitled to vote on all questions arising in said district, which do not directly involve the raising of money by tax.

How. 5049.—Am. 1895, p. 93; App. Mar. 8; Eff. Aug. 28; Act 15.

QUALIFIED VOTER: See act 138 of 1893, conferring upon women the right

to vote for all "school, village and city officers," and declared unconstitutional in *Coffin v. Election Com'rs.*, 97 / 189. The constitution of 1835, as well as that of 1850, in terms authorized the legislature to construct a primary school system and for years antedating the present constitution the legislature construed a similar provision as conferring the power to determine the qualifications of voters for district school officers.—*Coffin v. Election Com'rs.*, 97 / 193; *Belles v. Burr.*, 76 / 1. The election of members of a board of education at the annual charter election does not make such an election a "school district meeting" and give women the right to vote thereat, under the provisions of this section.—*Mudge v. Stebbins*, 59 / 165.

(4663) SEC. 18. If any person offering to vote at a school district meeting shall be challenged as unqualified by any legal voter in such district, the chairman presiding at such meeting shall declare to the person challenged the qualifications of a voter; and if such person shall state that he is qualified, and the challenge shall not be withdrawn, the chairman shall tender to him an oath, in substance as follows: "You do swear (or affirm) that you are a citizen of the United States, that you have been for the last three months an actual resident of this school district, or residing upon territory now attached to this school district, and that you pay a school district tax therein;" and every person taking this oath shall be permitted to vote upon all questions proposed at such meetings. Or he may take the following oath, to wit: "You do swear (or affirm) that you are a citizen of the United States, that you have been for the last three months an actual resident of this school district, or residing upon property now attached to this school district, and that you are the parent or legal guardian of one or more children now included in the school census of the district;" and he may vote upon all questions which do not directly involve the raising of money by tax. If any person so challenged shall refuse to take such oath, his vote shall be rejected; and any person who shall wilfully take a false oath, or make a false affirmation, under the provisions of this section, shall be deemed guilty of perjury. When any question is taken in any other way than by ballot, a challenge immediately after the vote has been taken shall be deemed to be made when offering the vote, and treated in the same manner.

Challenging voters.

Oaths to be tendered challenged voters.

False oath deemed perjury.

FOURTH: See Section 4728 as to designation of school sites.

FIFTH: A school district, contracting for the building of a school-house within a stated time, is bound to furnish a suitable site therefor, within such reasonable time that the contractors shall not be delayed on their part.—Todd v. Sch. Dist., 40 / 294. Sureties upon a bond for the performance of a contract are released by an assignment of the contract and the grant of an extension of time to the contractors.—Id.

Powers of voters at annual meetings.

SIXTH: A school district in its annual meeting may lawfully recognize and pay equitable claims even though they are not strictly legal demands against it.—Stockdale v. School Dist. 47 / 226. The provision that no land shall be taxed for the building of school-houses, unless some portion thereof shall be within 2½ miles of the school-house site, does not apply to a graded school district.—Keweenaw Ass'n v. Sch. Dist., 98 / 437.

SEVENTH: Publishing House v. Sch. Dist., 94 / 265. The word "appendage" does not mean simply the apparatus to be used inside or the building, nor is it limited to brooms, pails, cups, etc., but must be construed to include fuel, fences and necessary out-houses.—Creager v. Sch. Dist., 62 / 108. A director has authority, in the exercise of a second discretion, to buy new seats for a school-house under a resolution "to fit up the school-house for the winter term."—McLaren v. Akron Town Board, 48 / 190. Equitable claims.—See note to subdivision Sixth. Certain charts, etc., held not to be necessary appendages, such as the director is required to furnish.—Gibson v. Sch. Dist., 36 / 404; Publishing House v. Sch. Dist., 94 / 265. A school district has no power to levy a tax except for the purposes specified by statute.—Hinman v. Sch. Dist., 4 / 168. See Section 4686, subdivision 6.

ELEVENTH: Tappan v. Sch. Dist., 44 / 500. The district board has power to contract with a qualified teacher for such term during the ensuing year as shall be determined by the qualified voters of the district at the annual school meeting.—Cleveland v. Amy, 88 / 374; Molles v. Watson, 60 / 417.

TWELFTH: Gibson v. Sch. Dist., 36 / 404; Publishing Co. v. Sch. Dist., 94 / 265.

CHAPTER III.—DISTRICT BOARD AND OFFICERS.

(4666) SECTION 1. At the first meeting in each school district there shall be elected by ballot a moderator for the term of three years, a director for two years, and an assessor for one year; and on the expiration of their respective terms of office, and regularly thereafter at the annual meetings, their several successors shall be elected in like manner for a term of three years each. The time intervening between the first meeting in any school district and the first annual meeting thereafter shall be reckoned as one year.

How. 5053.

OFFICERS: The officers of a primary school district consist of a moderator, director and assessor. These offices are created by statute and have attached to them certain limited powers and particular duties. They have, therefore, neither common law power, nor rights, but are strictly confined to such as are conferred upon them by statute; and as no compensation for their official services has been provided [as the law stood prior to 1859] or in any manner authorized by statute, none can be legally claimed or recovered.—*Hinman v. Sch. Dist.*, 4 / 168. The provisions relative to the election of school district officers by ballot are mandatory; but where they were unanimously chosen by viva voce vote at a regular meeting, and qualified and acted and no one else claimed the offices, a writ of quo warranto was dismissed.—*People v. Gartland*, 75 / 143. Parol evidence is admissible to show who are the district officers.—*Crane v. Sch. Dist.*, 61 / 299.

BALLOT: All ballots cast under statutory requirements are formal and final, if there is an election, and cannot be repeated. There can be no "informal" ballot.—*People v. Stone*, 78 / 635; *Sch. Dist. v. Root*, 61 / 373.

When district

(4667) SEC. 2. A school district office shall become vacant upon the occurrence of any of the following events:

First, The death of the incumbent;

Second, His resignation;

Third, His removal from office;

Fourth, His removal from the district;

Fifth, His conviction of any infamous crime;

Sixth, His election or appointment being declared void by a competent tribunal;

Seventh, His neglect to file his acceptance of office, or to give or renew any official bond according to law.

(4668) SEC. 3. In case any one of the district offices becomes vacant, the two remaining officers shall immediately fill such vacancy; or in case two of the offices become vacant, the remaining officer shall immediately call a special meeting of the district to fill such vacancies; in case any vacancy is not filled as herein provided within twenty days after it shall have occurred, or in case all the offices in a district shall become vacant, the board of school inspectors of the township to which the annual reports of such district are made shall fill such vacancies. Any person elected or appointed to fill a vacancy in a district office shall hold such office until the next succeeding annual meeting, at which time the voters of the district shall fill such office for the unexpired portion of the term.

Acceptance of offices to be filed.

How. 5057.

(4671) SEC. 6. The moderator, director, and assessor shall constitute the district board. Meetings of the board may be called by any member thereof by serving on the other members a written notice of the time and place of such meeting at least twenty-four hours before such meeting is to take place; and no act authorized to be done by the district board shall be valid unless voted at a meeting of the board. How. 5058.

A teacher cannot be hired by two members of the board without the concurrence of the third and without convening any meeting of the board.—Hazen v. Lerche, 47 / 626.

(4672) SEC. 7. The said district board shall purchase a record book and such other books, blanks, and stationery as may be necessary to keep a record of the proceedings of the district meetings and of meetings of the board, the accounts of the assessor, and for doing the business of the district in an orderly manner.

Board to purchase record books, etc.

How. 5059.

Before the enactment of this provision it was held that the board had authority to purchase, at the expense of the district, record books, blanks and paper necessary for the use of the district in keeping the records required by law, without any vote of the district therefor.—Sch. Dist. v. Snell, 24 / 353.

(4673) SEC. 8. The district board shall purchase or lease, in the corporate name of the district, such sites for school-houses as shall have been lawfully designated, and shall build, hire, or purchase such school-houses as may be necessary out of the fund provided for that purpose, and make sale of any site or other property of the district when lawfully directed by the qualified voters; but no district in any case shall build a stone or brick school-house upon any site without having first obtained a title in fee to the same, or a lease for ninety-nine years; nor shall any district build a frame school-house on any site for which they have not a title in fee or a lease for fifty years, without securing the privilege of removing the said school-house when lawfully directed so to do by the quali-

fied voters of the district at any annual or special meeting, when lawfully convened.

How. 5060.

TITLE IN FEE: A lease to a school district "during the time it is used for school purposes" is a lease in perpetuity at the will of the lessee. Since the lessee is a corporation and words of inheritance are not required, the lease, if a present consideration is paid, operates as a bargain and sale and conveys a base or determinable fee. This is sufficient to satisfy the provisions of the school law.—Sch. Dist. v. Everett, 52 / 314.

Board to estimate tax for support of schools.

(4674) SEC. 9. It shall be the duty of the district board to estimate the amount necessary to be raised, in addition to other school funds, for the entire support of such schools, including teachers' wages, fuel, and other incidental expenses, and for deficiencies of the previous year for such purposes. But in districts having less than thirty scholars, such estimate, including the district's share of the primary school interest fund and one-mill tax, shall not exceed the sum of fifty dollars a month for the period during which school is held in such district; and when such amount has been estimated and voted by the district board, it shall be reported for assessment and collection, the same as other district taxes. When a tax has been estimated and voted by the district board under the provisions of this section, and is needed before it can be collected, the district board may borrow to an amount not exceeding the amount of said tax.

Board to report district taxes to township clerk.

(4675) SEC. 10. The district board shall, between the first and third Mondays in September in each year, make out and deliver to the township clerk of each township in which any part of the district is situated, a report in writing under their hands of all taxes voted by the district during the preceding year, and of all taxes which said board is authorized to impose, to be levied on the taxable property of the district.

How. 5062.

Board to apply moneys according to law.

(4676) SEC. 11. The district board shall apply and pay over all school moneys belonging to the district, in accordance with the provisions of law regulating the same, and no money raised by district tax shall be used for any other purpose than that for which it was raised, without a consenting vote of two-thirds of the tax-paying voters of the district; and no moneys received from the primary school interest fund, nor from the one-mill tax except as provided by law shall be appropriated to any other use than the payment of teachers' wages, and no part thereof shall be paid to any teacher who shall not have received a certificate of qualification from proper legal authority before the commencement of his school. No school district shall apply any of the moneys received by it from the primary school interest fund, or from any and all other sources, for the support and maintenance of any school of a sectarian charac-

(4677) SEC. 12. Said board shall present to the district, at each annual meeting, a report in writing, containing an accurate statement of all moneys of the district received by them, or any of them, during the preceding year, and of the disbursements made by them, with the items of such receipts and disbursements. Such report shall also contain a statement of all taxes assessed upon the taxable property of the district during the preceding year, the purposes for which such taxes were assessed, and the amount assessed for each particular purpose, and said report shall be entered by the director in the records of the district.

(4678) SEC. 13. The district board shall hire and contract with such duly qualified teachers as may be required; and all contracts shall be in writing and signed by a majority of the board on behalf of the district. Said contracts shall specify the wages agreed upon and shall require the teacher to keep a correct list of the pupils, and the age of each, attending the school, and the number of days each pupil is present, and to furnish the director with a correct copy of the same at the close of the school. Said contract shall be filed with the director, and a duplicate copy of the contract shall be furnished to the teacher. No contract with any person not holding a legal certificate of qualification then authorizing such person to teach shall be valid, and all such contracts shall terminate, if the certificate shall expire by limitation and shall not immediately be renewed, or if it shall be suspended or revoked by proper legal authority. A school month within the meaning of the school laws shall consist of four weeks of five days in each week, unless otherwise specified in the teacher's contract.

How. 5065.

HIRE AND CONTRACT: The district in its corporate capacity is a necessary party to the contract.—Wall v. Eastman, 1 / 270. A teacher can be lawfully employed only by convening the board.—Hazen v. Lerche, 47 / 628. Contracts may be made before the beginning of the school year.—Sch. Dist. v. Cook, 47 / 112; Tappan v. Sch. Dist., 44 / 500; Cleveland v. Amy, 88 / 376; Farrell v. Sch. Dist., 98 / 45. The power to employ teachers conferred upon district boards of primary schools by this section is co-extensive with that conferred upon the boards of trustees of graded schools by section 4748.—Id. 376. Where a contract was signed by the director and the teacher, the moderator wrote "approved" upon it and subscribed it as moderator, such approval and signature was treated as, in legal effect, a signing of the contract.—Everett v. Sch. Dist., 30 / 249. When the contract is signed by a majority of the board only.—Crane v. Sch. Dist., 61 / 299. Simultaneous signing is not necessary.—Holloway v. Sch. Dist., 62 / 155; Everett v. Sch. Dist., 30 / 249. It is the business of school districts to keep up public schools, and it is the duty of the officers to provide teachers and to make contracts with them. It is their duty to know under what conditions a teacher, whom they know to be teaching, claims to act.—Holloway v. Sch. Dist., 62 / 155. A teacher has a right to suppose his contract to be a valid one when it is signed by a sufficient number of officers and he is, with the personal knowledge of the whole board, permitted and encouraged to go on.—Id. 156. A contract valid on its face, actually carried out in full with the acquiescence of all concerned, cannot be subsequently repudiated.—Id. The provision that the contract

shall require the teacher to keep a list of the pupils, etc., is merely directory. Its omission will not invalidate the contract.—*Everett v. Sch. Dist.*, 30 / 249. A district school board cannot discharge a teacher for incompetency, in the absence of a provision to that effect in the contract.—*Carver v. Sch. Dist.*, 71 N. W. 859. Where a contract has been terminated by the board, mandamus will not lie to review the board's action and compel payment of salary claimed under the contract.—*Coffin v. Detroit Bd. of Ed.*, Sept. 14, 1897.

QUALIFIED TEACHER: A teacher suing for his wages need not make proof of his certificate, but the granting of it may be proved by parol.—*Sch. Dist. v. Cook*, 47 / 112. Normal school certificate not filed or recorded in the proper office (see *How*, 4969) until after contract made.—*Smith v. Sch. Dist.*, 69 / 591. Since the statute makes invalid a contract, where the teacher holds no legal certificate, such contract cannot be made the basis of a recovery of salary.—*Bryan v. Sch. Dist.*, 69 N. W. 74.

HOLIDAYS AND INTERRUPTIONS: Teaching contracts for stated periods, are subject to the observance of recognized holidays and there can be no deductions for such occasions from a teacher's wages.—*Sch. Dist. v. Gage*, 39 / 484; *Holloway v. Sch. Dist.*, 62 / 156. Suspension of school during the prevalence of smallpox is no defense to the payment of the teacher's wages for the time the school is closed.—*Dewey v. Sch. Dist.*, 43 / 480. Payment of wages after the burning of the school-house.—*Smith v. Sch. Dist.*, 69 / 589.

WAGES NOT GARNISHABLE: A teacher's wages cannot be reached by garnishment.—*Sch. Dist. v. Gage*, 43 / 484.

Care and use
of schoolhouse.

(4679) **SEC. 14.** The district board shall have the care and custody of the school-house and other property of the district, except so far as the same shall by vote of the district be especially confided to the custody of the director, including all books purchased for the use of indigent pupils, and shall open the school-house for public meetings unless by a vote at a district meeting it shall be determined otherwise: Provided, That said board may exclude such public meetings during the five school days of each week of any and all school terms, or such parts thereof as in their discretion they may deem for the best interest of the schools.

How, 5066.

The board has the care and custody of all the property and moneys of the district, except what may be especially confided to the director.—*Maynard v. Woodward*, 36 / 424.

Board to
specify studies,
etc.

(4680) **SEC. 15.** The district board shall specify the studies to be pursued in the schools of the district [districts], and in addition to the branches in which instruction is now required by law to be given in the public schools of the state, instruction shall be given in physiology and hygiene, with a special reference to the nature of alcohol and narcotics, and their effects upon the human system. Such instruction shall be given by the aid of text-books in the case of pupils who are able to read, and as thoroughly as in other studies pursued in the same school. The text-books to be used for such instruction shall give at least one-fourth of their space to the consideration of the nature and effects of alcoholic drinks and narcotics, and the books used in the highest grade of graded schools shall contain at least twenty pages of matter relating to this subject. Text-books used in giving the foregoing instructions shall first be approved by the state board of education. Each school board making a selection of text-books under the provisions of this act shall make a record thereof in their proceedings, and text-books once adopted under the provisions of this act shall not be changed within five years, except by the consent of a majority of the qualified voters of the district present at an annual meeting, or at a special meeting called for

that purpose. The district board shall require each teacher in the public schools of such district, before placing the school register in the hands of the directors [director], as provided in section thirteen of this act, to certify therein whether or not instruction has been given in the school or grade presided over by such teacher, as required by this act, and it shall be the duty of the director of the district to file with the township clerk a certified copy of such certificate. Any school board neglecting or refusing to comply with any of the provisions of this act shall be subject to fine or forfeiture the same as for neglect of any other duty pertaining to their office. This act shall apply to all schools in the state, including schools in cities or villages, whether incorporated under special charter or under the general laws.

Western Pub. House v. Sch. Dist., 94 / 265. This section applies to city schools organized under a special charter which does not provide for an annual school meeting.—Jones v. Board of Ed. of Detroit, 88 / 373. The power to adopt text-books is conferred by law and cannot be affected by any rule of the board of education fixing a time for the reconsideration of motions and resolutions.—Id. 347. As to suspension of by-law regulating adoption of text-book, see Kendall v. Board of Education, 64 N. W. 745.

(4681) SEC. 16. The district board may purchase at the expense of the district, such text-books as may be necessary for the use of children when parents are not able to furnish the same, and they shall include the amount of such purchase in the report to the township clerk or clerks, to be levied in like manner as other district taxes.

(4682) SEC. 17. The district board shall have the general care of the school, and shall make and enforce suitable rules and regulations for its government and management, and for the preservation of the property of the district. Said board may authorize or order the suspension or expulsion from the school, whenever in its judgment the interests of the school demand it, of any pupil guilty of gross misdemeanor or persistent disobedience. Any person who shall disturb any school by rude and indecent behavior, or by profane or indecent discourse, or in any other way make such disturbance, shall, on conviction thereof, be punished by a fine not less than two nor more than fifty dollars, or by imprisonment in the county jail not exceeding thirty days.

How. 5069.

EXPULSION: It is not necessary that a pupil be guilty of a criminal act before he can be suspended or expelled from school. He must be guilty of some wilful or malicious act of detriment to the school and the misconduct must be gross—something more than a petty or trivial offense against the rules—or he must be persistent in his disobedience of the proper and reasonable rules and regulations of the school. A boy cannot be expelled or suspended for a careless act, no matter how negligent, if it is not wilful or malicious.—Holman v. Sch. Dist., 77 / 609.

MISDEMEANOR: The meaning of the word "misdemeanor" in this section is gross misconduct or gross misbehavior, not necessarily a criminal act.—Holman v. Sch. Dist., 77 / 606-7.

Who can attend school.

No separate school on account of race, etc. Grading not prevented.

(4683) SEC. 18. All persons residents of any school district, and five years of age, shall have an equal right to attend any school therein; and no separate school or department shall be kept for any persons on account of race or color: Provided, That this shall not be construed to prevent the grading of schools according to the intellectual progress of the pupil, to be taught in separate places as may be deemed expedient.

How. 5070.

It is the requirement of the general law that the right to attend the schools shall be possessed equally and impartially by all classes of residents.—*People v. Detroit Bd. of Ed.*, 18 / 413. And mandamus will lie at the instance of a father to compel the admission of his child to school.—*Id.*

District boards may admit non-resident pupils and make rates of tuition.

Children who are a county charge to be admitted the same as non-resident pupils.

(4684) SEC. 19. The district board may admit to the district school non-resident pupils, and may determine the rates of tuition of such pupils and collect the same, which tuition shall not be greater than fifteen per cent more than the average cost per capita for the number of pupils of school age in the district. Children who are being cared for at county expense shall be admitted to the school in the district whose school-house is nearest the county house, on the same terms that other non-resident pupils are admitted. When non-resident pupils, their parents or guardians, pay a school tax in said district, such pupils shall be admitted to the schools of the district, and the amount of such school tax shall be credited on their tuition a sum not to exceed the amount of such tuition, and they shall only be required to pay tuition for the difference therein.

TUITION: Before any action can be maintained for the tuition of non-resident pupils, the district board must first fix and determine the rate of tuition of such pupils, by resolution of the board properly recorded by the director in the records of the district.—*Thompson v. Sch. Dist.*, 25 / 483.

MODERATOR.

Moderator.

(4685) SEC. 20. It shall be the duty of the moderator of each school district:

To preside.

First, To preside, when present, at all meetings of the district and of the board;

To countersign warrants and orders.

Second, To countersign all orders legally drawn by the director upon the assessor for moneys to be disbursed by the district, and all warrants of the director upon the township treasurer for moneys raised for district purposes, or apportioned to the district by the township clerk;

To bring suit on assessor's bond.

Third, To cause an action to be prosecuted in the name of the district on the assessor's bond, in case of any breach of any condition thereof;

Other duties.

Fourth, To perform such other duties as are or shall be by law required of the moderator.

How. 5072.

SECOND: Countersigning orders.—*Wall v. Eastman*, 1 / 268; *Sch. Dist. v. Mallary*, 22 / 111. The moderator has the right to satisfy himself that the claim for which the order was drawn is a valid one.—*Stockwell v. White Lake Twp. Bd.*, 22 / 341; *People v. Bender*, 36 / 195. But it must be a very plain case of wrong, where the moderator can refuse to enable the district to obtain its own funds.—*People v. Bender*, 36 / 197. The director is a proper relator for mandamus to compel the moderator to countersign.—*Id.*

DIRECTOR.

(4686) SEC. 21. It shall be the duty of the director of each school district:

Director
to be clerk.

First, To act as clerk, when present, at all meetings of the district and of the board;

To keep and
record minutes.

Second, To record the proceedings of all district meetings, and the minutes of all meetings, orders, resolutions, and other proceedings of the board, in proper record books;

To give notice
of meetings.

Third, To give the prescribed notice of the annual district meeting, and of all such special meetings as he shall be required to give notice of in accordance with the provisions of law;

To draw and
sign warrants
and orders.

Fourth, To draw and sign warrants upon the township treasurer for all moneys raised for district purposes, or apportioned to the district by the township clerk, payable to the assessor of the district, and orders upon the assessors for all moneys to be disbursed by the district and present them to the moderator, to be countersigned by that officer. Each order shall specify the object for which, and the fund from which, it is drawn;

Fifth, To draw and sign all contracts with teachers, when directed by the district board, and present them to the other members of the board for further signature;

To draw and
sign contracts.

Sixth, To provide the necessary appendages for the school-house and keep the same in good condition and repair during the time school shall be taught therein. Necessary appendages within the meaning of law shall consist of the following articles, to wit: A set of wall maps (the grand divisions, the United States and Michigan) not exceeding twelve dollars in price; a globe not exceeding eight dollars, a dictionary not exceeding ten dollars; a reading chart not exceeding five dollars, and a case for library books not exceeding ten dollars; also looking-glass, comb, towel, water pail, cup, ash pail, poker, stove shovel, broom, dustpan, duster, wash basin and soap;

To provide
appendages
and keep
schoolhouse
in repair.

Seventh, To keep an accurate account of all expenses incurred by him as director, and such account shall be audited by the moderator and assessor, and on their written order shall be paid out of any money provided for the purpose;

To present
estimate of

ments.

SECOND: Proceedings which are required to be recorded cannot be proved by parol.—Thompson v. Sch. Dist., 25 / 488.

FOURTH: The warrant for payment by the treasurer to the assessor of moneys belonging to the district is an official order for the transfer of funds, not negotiable and not legally payable to any person but the officer named.—Fox v. Shipman, 19 / 218; Burns v. Bender, 36 / 195. See Sch. Dist. v. Mallary, 23 / 111; Sch. Dist. v. Sch. Dist., 40 / 551. The duty of procuring this transfer of district moneys, within some reasonable time is not discretionary, but absolute, upon the director, and the moderator is bound to countersign all orders of the director for that purpose.—Burns v. Bender, 36 / 197. The township treasurer must pay so much of the money in his hands as is covered by the director's warrant in proper form, even though it does not specify a precise sum, but is for all such money in his hands as was raised for the purposes of the district.—Brvant v. Moore, 50 / 225. The disbursement of all school moneys must be made upon orders drawn on the assessor by the director, countersigned by the moderator.—Burns v. Bender, 36 / 195; Midland Sch. Dist. v. Sch. Dist., 40 / 551; Sch. Dist. v. Mallary, 23 / 111.

SIXTH: See Section 4665, subd. 7. See, also, Sch. Dist. v. Snell, 24 / 350; Cent. Sch. Supply House v. Sch. Dist., 99 / 402. Removal of director from office for persistent refusal and neglect to put the furniture, etc., of the school-house in order and repair.—Twp. Board of Hamtramck v. Holihan, 46 / 127.

SEVENTH: Assumpsit will lie in favor of the director of a school district on a disputed claim, the moderator and assessor having declined to pass upon the same as an entirety under this subdivision.—Van Wert v. Sch. Dist., 100 / 332.

EIGHTH: Prior to 1859, no provisions of law existed for paying any of the officers for services rendered.—Hinman v. Sch. Dist.; 4 / 168.

When census of school children to be taken.

(4687) **SEC. 22.** It shall be the duty of the director or such other person as the district board may appoint, within ten days next previous to the first Monday in September in each year to take the census of the district and make a list in writing of the names, ages and residences of all the children between the ages of five and twenty years residing therein, and also the names and residences, giving street and number in cities and villages, of all the parents or guardians of such children and a copy of said list shall be verified by the oath or affirmation of the person taking such census, by affidavit appended thereto or endorsed thereon, setting forth that it is a correct list of the names and residences of all children between the ages aforesaid, residing in the district, which affidavit may be made before the clerk of the township; and said list shall be returned with the annual report of the director to the township clerk. Children in almshouses, prisons, or asylums, not otherwise resident of the district and not attending school shall not be included in said census; nor shall Indian children be included, unless they attend the school or their parents are liable to pay taxes therein.

Persons taking census to make affidavit as to correctness of list.

What children not to be included in census.

How. 5074.—Am. 1897, p. 76; App. Apr. 9; Eff. Aug. 30; Act 66.

(4688) **SEC. 22a.** Any person intentionally giving to any census enumerator of school children any false information as to the names or ages of school children, or as to the names or residence of the parents or guardian of any school children or any enumerator who shall perform his duties carelessly or negligently, shall be guilty of a misdemeanor, and upon con-

viction thereof, be liable to a fine of not more than five dollars or to imprisonment in the county jail for not more than five days, in the discretion of the court.

Penalty for giving false information as to children.

Added 1897, p. 77; App. Apr. 9; Eff. Aug. 30; Act. 68.

(4689) SEC. 23. The director shall also, at the end of the school year, and previous to the second Monday in September in each year, deliver to the township clerk, to be filed in his office, a report to the board of school inspectors of the township, showing:

To make annual reports to inspectors.

Contents of.

First, The whole number of children belonging to the district between the ages of five and twenty years, according to the census taken as aforesaid;

Second, The number attending school during the year under five, and also the number over twenty years of age;

Third, The number of non-resident pupils of the district that have attended school during the year;

Fourth, The whole number that have attended school during the year;

Fifth, The length of time the school has been taught during the year by a qualified teacher, the name of each teacher, the length of time taught by each, and the wages paid to each;

Sixth, The average length of time scholars, between five and twenty years of age, have attended school during the year;

Seventh, The amount of money received from the township treasurer apportioned to the district by the township clerk;

Eighth, The amount of money raised by the district, and the purposes for which it was raised;

Ninth, The kind of books used in the school;

How. 5075.

(4690) SEC. 24. The director of each fractional district shall make his annual report to the clerk of the township in which the school-house is situated, and shall also report to the clerk of each township in which the district is in part situated, the number of children between the ages of five and twenty years in that part of the district lying in such township.

ASSESSOR.

(4691) SEC. 25. It shall be the duty of the assessor of each school district:

Assessor.

First, To execute to the district and file with the director, within ten days after his election or appointment, a bond in double the amount of money to come into his hands as such assessor during his term of office, as near as the same can be ascertained, with two sufficient sureties, to be approved by the moderator and director, conditioned for the faithful ap-

plication of all moneys that shall come into his hands by virtue of his office, and to perform all the duties of his said office as required by the provisions of this act. Said bond shall be filed with the director, and in case of any breach of the condition thereof, the moderator shall cause a suit to be commenced thereon in the name of the district, and any moneys collected thereon shall be paid into the township treasury, subject to the order of the district officers, and shall be applied to the same purposes as the moneys lost should have been applied by the assessor;

Second, To pay all orders of the director, when lawfully drawn and countersigned by the moderator, out of any moneys in his hands belonging to the fund upon which such orders may be drawn;

Third, To keep a book in which all the moneys received and disbursed shall be entered, the sources from which the same have been received, and the persons to whom and the objects for which the same have been paid;

Fourth, To present to the district board at the close of the school year a report in writing, containing a statement of all moneys received during the preceding year, and of each item of disbursements made, and exhibit the voucher therefor;

Fifth, To appear for and on behalf of the district in all suits brought by or against the same, when no other directions shall be given by the qualified voters in district meeting, except in suits in which he is interested adversely to the district, and in all such cases the moderator shall appear for such district, if no other direction be given as aforesaid;

Sixth, At the close of his term of office to settle with the district board, and deliver to his successor in office all books, vouchers, orders, documents, and papers belonging to the office of assessor, together with all district moneys remaining on hand;

Seventh, To perform such other duties as are or shall be by law required of the assessor.

How. 5077.

FIRST: An assessor cannot lawfully withhold the district funds in his hand when demanded by his successor, upon a claim that he is entitled to be personally notified of such election and acceptance of office. He is chargeable with notice of such facts and is liable to an action for money had and received, as well as action on his bond.—*Mason v. Sch. Dist.*, 34 / 228. See *Welch v. Frost*, 1 / 30; also *Bryant v. Moore*, 50 / 225.

SECOND: See Section 4635, subd. 2, and Section 4636, subd. 4, and notes. The assessor is the disbursing officer of the district.—*Sch. Dist. v. Mallary*, 23 / 111. He is the lawful treasurer and depository of school district funds and all moneys must pass through his hands and be paid out by him on proper orders.—*Sch. Dist. v. Sch. Dist.*, 40 / 551. Moneys in the hands of the township treasurer belonging to a school district cannot be applied to any district purpose, except through the hands of the assessor.—*Burns v. Bender*, 36 / 198. An assessor cannot pay out any money lawfully without a warrant.—*Id.* Interest is not payable on school district orders if no authority has been given to impose it.—*Turnbull v. Sch. Dist.*, 45 / 496. But interest may be allowed from demand when mandamus is granted for payment, when its claim is such a settled demand as would sustain a recovery of interest at law.—*Martin v. Tripp*, 51 / 184. Mandamus lies to compel a district to pay or provide for the payment of its orders.—*Turnbull v. Sch. Dist.*, 45 / 496. And to compel an assessor to pay a school order, where the court is satisfied that there is no valid defense.—*Martin v. Tripp*, 51 / 184. A showing of a want of funds is a complete answer to an application for mandamus to require an assessor to pay a warrant drawn on him.—*Allen v. Frink*, 32 / 96.

FIFTH: The management and control of suits is specially confided to the assessor, when no other direction is given in district meeting; the moderator

and director, though constituting a majority of the district board, have no authority to take the defense of a suit from the assessor. And the voters, as such cannot interfere.—Sch. Dist. v. Wing, 30 / 351. See Benalleck v. People, 31 / 204. An appeal taken in the name of the district without the authority of the assessor, if he is competent to act, is void.—Id. Whether he is a proper relator for mandamus to compel the moderator to sign the director's warrants, see Burns v. Bender, 36 / 197.

CHAPTER IV.—TOWNSHIP OFFICERS—TOWNSHIP BOARD OF SCHOOL INSPECTORS.

(4692) SECTION 1. The school inspectors of each township, together with the township clerk, shall constitute the township board of school inspectors. Said board shall meet at the office of the township clerk within twenty days after the first Monday of April in each year, and elect one of their number other than the township clerk chairman of said board, and the township clerk shall be the clerk thereof.

The amount to be assessed upon the taxable property of any school district retaining the school-house or other property, on the division of a district, as the same shall have been determined by the inspectors, shall be assessed by the supervisor in the same manner as if the same had been authorized by a vote of such district; and the money so assessed shall be placed to the credit of the taxable property taken from the former district, and shall be in reduction of any tax imposed in the new district on said taxable property for school district purposes: *Provided*, That if the district retaining the school-house shall vote to pay, and shall pay, before said taxes are assessed, any portion of said amount to the new district, said amount, as shall be certified by the moderator and director of the new district to the supervisor, shall be deducted from the amount to be assessed as provided in this section. When collected, such amount shall be paid over to the assessor of the new district, to be applied to the use thereof in the same manner, under the direction of its proper officers, as if such sum had been voted and raised by said district for building a school-house or other district purposes.

When district is divided certain taxes to be assessed.

How. 5092.

NEW DISTRICT: The money when collected, must be paid to the assessor of the new district; and if wrongfully paid to the old one, the new district may maintain an action for money had and received, against the old district.—Sch. Dist. v. Sch. Dist., 40 / 551.

(4707) SEC. 16. The full amount of all taxes to be levied upon the taxable property in a fractional school district shall be certified by the district board to the township clerk of each township in which such district is in part situated, and by such township clerks to the supervisors of their respective townships, and it shall be the duty of each of said supervisors to certify to each other supervisor interested, the amount of taxable property in that part of the district lying in his township: *Provided*, That when there exists a manifest difference in the valuation of property assessed in fractional districts, composed of territory in adjoining townships or counties, such valuation shall be equalized for this specific purpose by the supervisors of the townships interested at a joint meeting held for that purpose, on application of either of the supervisors of said townships. And such supervisors shall respectively ascertain the proportion of such taxes, including mill tax, to be placed on their respective assessment rolls, according to the amount of taxable property in each part of such district. And if said supervisors cannot agree as to the proportion of such taxes to be placed on their respective assessment rolls, a supervisor from an adjoining township shall be called to meet with said supervisors in said fractional district and assist in equalizing said valuation. Said supervisor to be paid at the rate of three dollars per diem for the time necessarily employed in attendance at such meeting of the supervisors, and all necessary traveling expenses, by the townships in interest.

(4711) SEC. 20. The township treasurer shall retain in his hands, out of the moneys collected by him, after deducting the amount of tax for township expenses, the full amount of the school taxes on the assessment roll, and hold the same subject to the warrant of the proper district officers, to the order of the school inspectors, or of the persons entitled thereto, and give a written notice to the township clerk of the amount.

How. 5097.

SCHOOL TAXES: The township treasurer has no right to receive for school moneys anything which the law has not authorized to be received. If he does so and receipts for the taxes, he must make good the amount.—*Jones v. Wright*, 34 / 372; *Sch. Dist. v. Sch. Dist.*, 40 / 554. See *Elliott v. Miller*, 8 / 132, and notes to Section 2353. The liability of a township treasurer

for school moneys is distinct from his ordinary liability for township moneys, and it cannot be released or in any way affected by the action of the township board.—*Jones v. Wright*, 34 / 372. As to the custody, etc., of school district moneys, see notes to Section 4686, subd. 4; Section 4691, subd. 1, 2; and Section 4694.

EXPLANATORY NOTE BY SUPERINTENDENT OF PUBLIC INSTRUCTION.—Section 20 is practically superseded by Section 52 of Act No. 206, Public Acts of 1893, which reads as follows: "In case the township treasurer shall not collect the full amount of taxes required by his warrant to be paid into the township treasury, such portion thereof as he shall collect shall be retained by him to be paid out for the following purposes: The amount of school taxes collected to be paid on the order of the school district officers, the amount collected for general township purposes to be paid on the order of the township order of the commissioner of highways countersigned by the township clerk or supervisor, and the amount collected for any special fund to be paid on the order of the proper officer; but in no case shall the amounts collected for any one fund be paid on the orders drawn on any other fund."

(4712) SEC. 21. The township treasurer shall, from time to time, apply to the county treasurer for all school and library moneys belonging to his township, or the districts thereof; and on receipt of the moneys to be apportioned to the districts, he shall notify the township clerk of the amount to be apportioned.

Two-thirds vote required to borrow money.

Indebtedness incurred by district restricted to a certain amount.

Indebtedness shall not extend beyond ten years.

Who to constitute board of inspection. Poll list and ballot-box to be used. Vote to be by ballot.

(4717) SECTION 1. *The People of the State of Michigan enact: That any school district may, by a two-thirds vote of the qualified electors of said district present at any annual meeting, or at a special meeting called for that purpose, borrow money, and may issue bonds of the district therefor, to pay for a school house site or sites, and to erect and furnish school buildings as follows: Districts having less than thirty children between five and twenty years of age may have an indebtedness not to exceed three hundred dollars; districts having thirty children of like age may have an indebtedness not to exceed five hundred dollars; districts having forty children of like age may have an indebtedness not to exceed seven hundred fifty dollars; districts having fifty children of like age may have an indebtedness not to exceed one thousand dollars; districts having seventy-five children of like age may have an indebtedness not to exceed two thousand dollars; districts having one hundred children of like age may have an indebtedness not to exceed three thousand dollars; districts having one hundred twenty-five children of like age, and with an assessed valuation of not less than one hundred fifty thousand dollars, may have an indebtedness not to exceed five thousand dollars; districts having two hundred children of like age may have an indebtedness not to exceed eight thousand dollars; districts having three hundred children of like age may have an indebtedness not to exceed fifteen thousand dollars; districts having four hundred children of like age may have an indebtedness not to exceed twenty thousand dollars; districts having five hundred children of like age may have an indebtedness not to exceed twenty-five thousand dollars; and districts having eight hundred children or more of like age may have an indebtedness not to exceed thirty thousand dollars: Provided, That the indebtedness of a district shall in no case extend beyond ten years for money borrowed: Provided further, That in all proceedings under this section the director, assessor, and one person appointed by the district board, shall constitute a board of inspection, who shall cause a poll list to be kept and a suitable ballot-box to be used, which shall be kept open two hours. The vote shall be by ballot, either printed or written, or partly printed and partly written, and the canvass of the same shall be conducted in the same manner as at township elections or as the laws governing the same are applicable; and when they are not the board of in-*

spectors shall prescribe the manner in which canvass shall be conducted. Canvass how conducted.

NOTE.—The italicized portion of preceding paragraph is the portion amended by Act No. 190, Public Acts 1899.

How. 5103.—Am, 1887, p. 63; App. Apr. 8; Act 56.—Am. 1893, p. 5; App. Feb. 8; Act 4.

TWO-THIRDS VOTE: A corporate act, which can be taken only by a two-thirds vote, cannot be rescinded by a bare majority.—Stockdale v. Sch. Dist., 47 / 226.

BONDS: A vote to issue school-district bonds in settlement of a demand, if in excess of the limit fixed by law, may be sustained up to the legal limit.—Stockdale v. Sch. Dist., 47 / 226. The purchaser of a school district bond has a right to rely upon all facts asserted or appearing upon the face of the bonds, made by any person or body authorized by law to pass upon and determine the facts.—Gibbs v. Sch. Dist., 88 / 336. Detaching a portion of a district and organizing it into or with another township.—People v. Ryan, 19 / 203.

(4718) SEC. 2. Whenever any school district shall have voted to borrow any sum of money, the district board of such district is hereby authorized to issue the bonds of such district, in such form, and executed in such manner by the moderator and director of such district, and in such sums, not less than fifty dollars, as such district board shall direct, and with such rate of interest, not exceeding eight per centum per annum, and payable at such time or times as the said district shall have directed. Issuing bonds for money borrowed.

Interest thereon.

How. 5104.

The statute limits the authority of the board, in issuing bonds, to such as are authorized by the district; and, before the board can act, it has a function to perform in its nature somewhat judicial. It must pass upon the question whether the proceedings in voting the bonds are such as will authorize the board to issue them. A purchaser of the bonds, therefore, need look no further back than the face of the bonds for the facts which show a compliance with the law.—Gibbs v. Sch. Dist., 88 / 337.

(4719) SEC. 3. Whenever any money shall have been borrowed by any school district, the taxable inhabitants of such district are hereby authorized, at any regular meeting of such district, to impose a tax on the taxable property in such district, for the purpose of paying the principal thus borrowed, or any part thereof, and the interest thereon, to be levied and collected as other school district taxes are collected. Voters may raise tax to redeem bonds.

How. 5105.

(4720) SEC. 4. Any school district, whenever it shall appear that the same can be done on terms advantageous to said district, may borrow money to pay any bonded indebtedness of said district then existing, and issue further bonds of said district therefor: Provided, That a majority of the qualified voters of said district shall so determine, at an annual or special meeting called for that purpose; and that the notice of such meeting, whether annual or special, shall state the intention to take such vote. District may borrow money to pay bonds and issue further bonds. Proviso.

certain cases.

(4721) SECTION 1. Justices of the peace shall have jurisdiction in all cases of assumpsit, debt, covenant, and trespass on the case against school districts, when the amount claimed, or matter in controversy shall not exceed one hundred dollars; and the parties shall have the same right of appeal as in other cases.

How. 5107.

As to corporate powers, etc., see note to Section 4652. Liability for debts after changes made in districts.—See Sections 4657-8 and notes. Action of one district against another for money had and received.—Sch. Dist. v. Sch. Dist., 40 / 551.

(4728) SECTION 1. The qualified voters of any school district, when lawfully assembled, may designate by a vote of two-thirds of those present, such number of sites as may be desired for school-houses, and may change the same by a similar vote at any annual meeting. When no site can be established by such inhabitants as aforesaid, the school inspectors of the township or townships in which the district is situated shall determine where such site shall be, and their determination shall be certified to the director of the district, and shall be final, subject to alteration afterward by the inspectors, on the written request of two-thirds of the qualified voters of the district, or by two-thirds of the qualified voters agreeing upon a site, at a district meeting lawfully called.

DESIGNATING SITES: See Sec. 4665, subd. 4. Proceedings to condemn land for a site will be quashed if there is no lawful designation thereof shown by the records.—Heck v. Sch. Dist., 49 / 551. After the lapse of a dozen years it is too late to disturb the title to a school-house site by mere questions of regularity in the proceedings to designate it. School districts are apt to act with great informality in their corporate matters; and it is a sound rule to let general acquiescence cover the errors.—Sch. Dist. v. Everett, 52 / 318.

Whenever a site for a school-house shall be designated, determined or established, in any manner provided by law, in any school district, and such district shall be unable to agree with the owner or owners of such site upon the compensation to be paid therefor, or in case such district shall, by reason of any imperfection in the title to said site, arising either from break in the chain of title, tax sale, mortgages, levies, or any other cause, be unable to procure a perfect, unincumbered title in fee simple to said site, the district board of such district shall authorize one or more of its members to apply to the circuit judge, if there be one in the county, or to a circuit court commissioner of the county, or to any justice of the peace of the city or township in which such school district shall be situated, for a jury to ascertain and determine the just compensation to be made for the real estate

It shall be the duty of such circuit judge, circuit court commissioner, or justice of the peace, upon such application being made to him, to issue a summons or venire, directed to the sheriff or any constable of the county, commanding him to summon eighteen freeholders residing in the vicinity of such site, who are in nowise of kin to the owner of such real estate, and not interested therein, to appear before such judge, commissioner, or justice, at the time and place therein named, not less than twenty nor more than fifty days from the time of issuing such summons or venire, as a jury to ascertain and determine the just compensation to be made for the real estate required by such school district for such site, and the necessity for using the same, and to notify the owner or occupant of such real estate, if he can be found in the county, of the time when and the place where such jury is summoned to appear, and the object for which such jury is summoned; which notice shall be served at least ten days before the time specified in such summons or venire for the jury to appear as hereinbefore mentioned.

personally, or by leaving a copy thereof at his last place of residence.

(4732) SEC. 5. It shall be the duty of such judge, commissioner, or justice, and of the persons summoned as jurors, as hereinbefore provided, and of the sheriff or constable summoning them, to attend at the time and place specified in such summons or venire; and the officer who summoned the jury shall return such summons or venire to the officer who issued the same, with the names of the persons summoned by him as jurors, and shall certify the manner of notifying the owner or owners of such real estate, if he was found; and if he could not be found in said county, he shall certify that fact. Either party may challenge any of the said jurors for the same causes as in civil actions. If more than twelve of said jurors in attendance shall be found qualified to serve as jurors, the officer in attendance, and who issued the summons or venire for such jury, shall strike from the list of jurors a number sufficient to reduce the number of jurors in attendance to twelve; and in case less than twelve of the number so summoned as jurors shall attend, the sheriff or constable shall summon a sufficient number of freeholders to make up the number of twelve; and the officer issuing the summons or venire for such jury, may issue an attachment for any person summoned as a juror who shall fail to attend, and may enforce obedience to such summons, venire, or attachment, as courts of record, or justices' courts are authorized to do in civil cases.

(4733) SEC. 6. The twelve persons selected as the jury shall be duly sworn by the judge, commissioner, or justice in attendance, faithfully and impartially to inquire, ascertain, and determine the just compensation to be made for the real estate required by such school district for such site, and the necessity for using the same in the manner proposed by such school district; and the person thus sworn shall constitute the jury in such case. Subpoenas for witnesses may be issued, and their attendance compelled by such circuit judge, commissioner, or justice in the same manner as may be done by the circuit court or by a justice's court in civil cases. The jury may visit and examine the premises, and from such examination and such other evidences as may be presented before them, shall ascertain and determine the necessity for using such real estate in the manner and for the purpose proposed by such school district, and the just compensation to be made therefor; and if such jury shall find that it is necessary that such real estate shall be used in the manner or for the purpose proposed by such school district, they shall sign a certificate in writing, stating that it is necessary that said real estate,

Such proceedings may be adjourned from time to time by the said judge, or commissioner, or justice, on the application of either party, and for good cause, to be shown by the party applying for such adjournment, unless the other party shall consent to such adjournment; but such adjournments shall not in all exceed three months.

CHAPTER IX.—APPEALS FROM ACTION OF INSPECTORS.

(4743) SECTION 1. Whenever any five or more tax-paying electors, having taxable property within any school district, shall feel themselves aggrieved by any action, order, or decision of the board of school inspectors, with reference to the formation, or any division, or consolidation of said school district, they may, at any time within sixty days from the time of such action on the part of said school inspectors, appeal from such action, order, or decision of said board of school inspectors to the township board of the township in which such school district is situated, and in case of fractional school districts, notice of such appeal shall be served on the clerk of the joint boards of school inspectors who have made the decision appealed from, who shall, within five days, give notice thereof to the township boards of the several townships in which the different parts of said fractional school district are situated, who shall have power, and whose duty it shall be, acting jointly, to entertain such appeal, and review, confirm, set aside, or amend the action, order, or decision of the board of school inspectors thus appealed from; or if in their opinion the appeal is frivolous or without sufficient cause, they may summarily dismiss the same.

Appeal of electors.

Appeal in case of fractional districts.

How. 5129.—Am. 1883, p. 78; App. May 10; Act 82.

ACTION OF INSPECTORS: The board of inspectors act in the exercise of a public discretionary power in creating or changing districts, which can be reviewed, if at all, only by some direct appellate process which operates upon the proceedings themselves to affirm, reverse or change them.—*Clement v. Everest*, 29 / 19.

APPEAL: The appeal to the town board is not on legal questions, but transfers to them the same discretionary authority which the inspectors have when there is no appeal. And by appealing, the parties waive those questions which require judicial review and submit themselves to the discretion of the town board; and a certiorari to the town board does not open the doings of the inspectors.—*Brody v. Penn Twp. Board*, 32 / 273. Where the summary method of reviewing the proceedings by appeal has not been resorted to, there should be some special and extraordinary reasons appearing to justify a resort to quo warranto.—*Lord v. Every*, 38 / 405. The township board has jurisdiction of appeals from decisions of the board of school inspectors fixing the amount to be paid by an old school district to a new one, where the latter comprises part of the same territory and the former retains the school property.—*School Dist. v. Wilcox*, 48 / 404. When it seems an appeal could not be taken.—*Sch. Dist. v. Sch. Dist.* 63 / 57-8.

(4744) SEC. 2. Said appellants shall, before taking such appeal, make out and file with the board of school inspectors, or in case of fractional school districts to the clerk of the joint boards of school inspectors, a written statement, to be signed by said appellants, setting forth in general terms the action, order, or decision of the board or boards of school inspectors, with respect to which the appellants feel themselves aggrieved, and their demand for an appeal therefrom to the township board or boards of said township or townships, and shall also cause to be executed and signed by one of their number, and by two good and sufficient sureties, to be approved by the clerk of said board or joint boards of school inspectors, or by any justice of the peace of the township, and filed with the clerk of said board or joint boards of school inspectors, a

bond to the people of the state of Michigan in the penal sum of two hundred dollars, conditioned for the due prosecution of said appeal before said township board or boards acting jointly, and also in case of the dismissal of said appeal as frivolous by said township board or joint boards, for the payment by said appellants of all costs occasioned to the township or townships [by reason] of said appeal.

How. 5130.—Am. 1883, p. 78; App. May 10; Act 82.

BOND: The statute is positive in requiring the bond to be approved and it can not be dispensed with.—Clement v. Everest, 29 / 21. The appeal is not complete without such approval.—Id.

Duty of inspectors when appeal is filed.

(4745) SEC. 3. Upon the filing of such appeal papers and bond with the said board or joint boards of school inspectors, the said board or joint boards of school inspectors shall, within ten days thereafter, make out and file with the clerk of said township in which the said school-house is located, a full and complete transcript of all their proceedings, actions, orders, or decisions with reference to which the appeal is taken, and of their records of the same; also, said bond and appeal papers, and all petitions and remonstrances, if any, with reference to the matters appealed from; and upon the filing of the same with the said township clerk, the said township board or boards shall be deemed to be in possession of the case, and if the return be deemed by them insufficient, may order a further and more complete return by said board or boards of school inspectors; and when such return shall by them be deemed sufficient, they shall proceed with the consideration of the appeal, at such time or times, within ten days after such return, and in such manner and under such affirmation, amendment, or reversal of the action, order, or decision of the board or boards of school inspectors appealed from, as in their judgment shall seem to be just and right; or, if they deem the appeal to be frivolous, they may summarily dismiss the same; but the decision of said board or boards of school inspectors shall not be altered or reversed, unless a majority of such township board or boards, not members of said board or boards of school inspectors, shall so determine.

CHAPTER X.—GRADED SCHOOL DISTRICTS.

Graded school district, organization of.

(4746) SECTION 1. Any school district containing more than one hundred children between the ages of five and twenty years may, by a two-thirds vote of the qualified electors present at any annual or special meeting, organize as a graded school district: Provided, That the intention to take such vote shall be expressed in the notice of such annual or special meeting. When such change in the organization of the district shall have been voted, the voters at such annual or special meeting shall proceed immediately to elect by ballot from the qualified voters of the district one trustee for the term of one

year, two for the term of two years, and two for a term of three years, and annually thereafter a successor or successors to the trustee or trustees whose term of office shall expire: Provided, also, In all districts organized prior to the year eighteen hundred and eighty-three there shall be one trustee elected at the annual meeting for the year eighteen hundred and eighty-three, and thereafter there shall be elected a trustee or trustees in the manner aforesaid, whose term of office shall be three years, and until his or their successor or successors shall have been elected and filed his or their acceptance: Provided, also, That in the election of trustees, and all other school officers, the person receiving a majority of all the votes shall be declared elected.

How. 5132.—Am. 1833, p. 20; App. Apr. 18; Act 28.—Am. 1885, p. 14; App. Mar. 13; Act 18.

Simpkins v. Ward, 45 / 562.

GRADED SCHOOL DISTRICTS: The wisdom of the graded-school-district act was vindicated in *Stuart v. Sch. Dist.*, 30 / 69, and its validity determined. —*Keweenaw Ass'n v. Sch. Dist.*, 98 / 439. It is competent under the constitution to provide by taxation for free instruction in the higher departments of education, in union and high schools.—*Stuart v. Sch. Dist.*, 30 / 69. Union and graded schools, whether organized under the general law or created by special enactment are subject to the general primary school law, except as otherwise provided in the law creating them.—*People v. Detroit Board of Education*, 18 / 411; *Keweenaw Ass'n v. Sch. Dist.*, 98 / 442.

ALL OTHER OFFICERS: The term "all other school officers" includes the director, moderator and assessor of primary school districts, there being no others to whom it could refer, as the trustees are the only officers to be elected in graded school districts.—*Cleveland v. Amy*, 88 / 377.

LEGISLATIVE PROVISIONS: The constitution does not require an absolute uniformity in school districts throughout the state and the legislature has not so construed the constitutional provisions. Uniformity has not been kept up; graded schools have been established; boundaries of districts changed and fixed by the legislature; and the qualifications of electors at school meetings have been fixed, limiting the classes entitled to vote and providing exceptional methods of electing officers. The mayor of Grand Rapids is made a trustee and ex officio a member of the board of education; and being a trustee he is eligible to the office of president of the board. The president of the board has the veto power. The mayor of Alpena is president of the board and the trustees elected constitute the board, and exercise all the powers and perform the duties of trustees. The mayor of Detroit, as ex officio member of the board of education, has the veto power, and this provision is constitutional.—*Pingree v. Board of Education*, 99 / 407-9. It is no new thing for the legislature to fix the boundaries of school districts. It is done by the charter of nearly every city or village in the state, and some of them go so far as to provide exceptional methods of electing officers and limiting the classes entitled to vote (citing *Mudge v. Jones*, 69 / 165).—*Keweenaw Ass'n v. Sch. Dist.*, 98 / 441. And in *Perrizo v. Kesler*, 93 / 230, an act providing for the organization of school districts from entire townships was held valid.—Id. 442.

(4747) SEC. 2. Within ten days after their election such trustees shall file with the director acceptances of the offices to which they have been elected, and shall annually elect from their own number a moderator, a director, and assessor, and for cause may remove the same, and may appoint others of their own number in their places, who shall perform the duties prescribed by law for such officers in other school districts in this state, except as hereinafter provided. The trustees shall have power to fill any vacancy that may occur in their number till the next annual meeting. Whenever, in any case, the trustees shall fail, through disagreement or neglect, to elect the officers named in this section, within twenty days next

after the annual meeting, the school inspectors of the township or city to which such district makes its annual report shall appoint the said officers from the number of said trustees.

How. 5133.

Duty of trustees.

(4748) SEC. 3. It shall be the duty of the board of trustees in any graded school district:

To classify pupils.

First, To classify and grade the pupils attending schools in such district and cause them to be taught in such schools or departments as they may deem expedient;

To establish high school, etc.

Second, To establish in such district a high school when ordered by a vote of the district at an annual meeting, and to determine the qualifications for admission to such school, and the fees to be paid for tuition in any branch taught therein: Provided, That when non-resident pupils, their parents or guardians, shall pay a school tax in said district, the same shall be credited on their tuition a sum not to exceed the amount of such tuition and they shall only be required to pay tuition for the difference between the amount of the tax and the amount charged for tuition;

Proviso as to tuition.

To audit and pay directors' accounts.

Third, To audit and order the payment of all [of] the accounts of the director for incidental or other expenses incurred by him in the discharge of his duties; but no more than fifty dollars shall be expended by the director in one year for repairs of the buildings or appurtenances of the district property without the authority of the board of trustees;

To employ teachers.

Fourth, To employ all qualified teachers necessary for the several schools, and to determine the amount of their compensation and to require the director and moderator to make contracts with the same on behalf of the district, in accordance with the provisions of law concerning contracts with teachers;

To employ officers, etc.

Fifth, To employ such officers and servants as may be necessary for the management of the schools and school property, and prescribe their duties and fix their compensation;

Other duties.

Sixth, To perform such other duties as are required of district boards in other school districts.

How. 5134.—Am. 1891, p. 20; App. Apr. 2; Eff. Oct. 2; Act 21.

FIRST: To classify and grade.—*People v. Detroit Bd. of Ed.*, 18 / 412. Under our system it is common and convenient to have the various grades in one building and there is nothing illegal in it.—*Hathaway v. New Baltimore*, 48 / 255. The authority to classify and grade the pupils and prescribe the course of studies confers the power to provide for teaching music and to purchase a piano for such purpose.—*Knabe v. Board of Education*, 67 / 262.

FOURTH: A contract with a qualified teacher, made pursuant to a resolution adopted by a majority of the trustees and signed by the moderator and assessor and one of the trustees, is valid though not signed by the director.—*Farrel v. Sch. Dist.*, 98 / 43 (citing *Crane v. Sch. Dist.*, 61 / 239). The board has power to employ a qualified teacher for the ensuing year prior to the annual school meeting.—*Id.*, (citing *Tappan v. Sch. Dist.*, 44 / 500; *Cleveland v. Amy*, 88 / 374). The power to employ teachers conferred upon the district boards of primary schools is co-extensive with that conferred upon the boards of trustees of graded schools.—*Cleveland v. Amy*, 88 / 376. Teachers in graded schools are required to have certificates in the same manner as teachers in primary schools; but a person employed by the board to superintend and manage the schools need not be a teacher nor have a teacher's certificate.—*Davis v. Sch. Dist.*, 81 / 214. The trustees are empowered to employ all teachers necessary, and what teachers are necessary is left to be decided by their sound discretion.—*Tappan v. Sch. Dist.*, 44 / 502.

FIFTH: The power to appoint a superintendent of schools is incident to the full control which by law the board has over the schools.—*Stuart v. Sch. Dist.*, 30 / 85. And the person employed as superintendent is not required to be a teacher or to have a teacher's certificate.—*Davis v. Sch. Dist.*, 81 / 219-20.

(4749) SEC. 4. No alterations shall be made in the boundaries of any graded school district, without the consent of a majority of the trustees of said district, which consent shall be spread upon the records of the district, and placed on file in the office of the clerk of the board of school inspectors of the township or city to which the reports of said district are made; and graded school districts shall not be restricted to nine sections of land.

Consent of trustees necessary to change in boundaries of district.

Such districts not restricted in size. Proviso.

Provided, however, That any three or more tax paying electors having children between the ages of five and twelve years, residing one and one-half miles or more from a school house in such district, feeling themselves aggrieved by any action, order, or decision of the board of trustees with reference to the alteration of said school district, affecting their interests, may, at any time within sixty days from the time of such action on the part of said board of trustees, appeal from such action, order or decision of such board of school trustees, to the judge of probate of the county in which such school house is situated, in the same manner, as nearly as may be, as appeals from the action of inspectors, as provided by chapter nine of this act. Said appellants shall file a bond with said judge of probate, with sufficient sureties, to be approved by said judge of probate, in the penal sum of two hundred dollars, indemnifying said school district of any and all costs made on such appeal in case the appellants shall not prevail therein. Whereupon said judge of probate shall be empowered to entertain such appeal, and review, confirm or set aside or amend the action of the board of trustees appealed from.

Appellants to file bond.

NOTE.—The italicized paragraph is the amendment made by Act No. 258, Public Acts of 1899.

How. 5135.

NO ALTERATION: This provision is not intended to take from the board of supervisors their constitutional power to erect townships, but the prohibition applies only to the inspectors.—*People v. Ryan*, 19 / 207. Township school inspectors cannot enlarge a graded school district by adding unorganized territory, though they may, with the consent of the trustees, transfer to its jurisdiction territory previously organized into primary districts.—*Simpkins v. Ward*, 45 / 559. The action of the board of inspectors in detaching territory from a graded school district is void, unless the inspectors have before them legal evidence of a consent of a majority of the trustees of the graded school district.—*Burnett v. Inspectors*, 97 / 103. Addition of territory by legislative action.—*Keweenaw Ass'n v. Sch. Dist.*, 98 / 439-41.

Alteration of boundaries.

NINE SECTIONS: *Keweenaw Ass'n v. Sch. Dist.*, 98 / 439, 440.

(4750) SEC. 5. Whenever two or more contiguous districts, having together more than one hundred children between the ages of five and twenty years, after having published in the notices of the annual meetings of each district the intention to take such action, shall severally, by a vote of two-thirds of the qualified voters attending the annual meetings in said districts determine to unite for the purpose of establishing a graded school district under the provisions of this chapter, the school inspectors of the township or townships in which such districts may be situated shall, on being properly notified of such vote, proceed to unite such districts, and shall appoint as soon as practicable, a time and place for a meeting of the new

(4772) SEC. 8. The township board of each township, and in the case of fractional school districts, the township board of the township in which the district school-house thereof is situated, shall have power and is hereby required to remove from office, upon satisfactory proof, after at least five days' notice to the party implicated, any district officer or school inspector who shall have illegally used or disposed of any of the public moneys entrusted to his charge, or who shall persistently and without sufficient cause refuse or neglect to discharge any of the duties of his office. Township clerk to record order for removal.

Party removed may institute proceedings for removal of order of township board.

How. 5170.

REMOVAL: When a member of the board is interested in the subject for consideration in the matter of removal, he is not competent to act.—*Stockwell v. Twp. Bd. of White Lake*, 22 / 341. When interest deemed too remote to disqualify.—*Hamtramck Twp. Board v. Holihan*, 46 / 127. Proceedings to remove are not invalidated because the board did not meet to agree on the notice under which the proceedings were taken.—*Wenzel v. Dorris Twp. Bd.*, 49 / 25. The statute contemplates that no steps shall be taken until the action of the proper authorities has been invoked by complaint of some definite violation of duty. But preliminary formalities may be waived.—*Geddes v. Thomastown Twp.*, 46 / 318. The action of the board is final unless speedily brought up for review.—*Id.* The proceedings are in the nature of a judicial investigation.—*Stockwell v. White Lake Twp. Board*, 22 / 341.

CAUSES FOR REMOVAL: The township board is the exclusive judge of the facts on which it is authorized to remove a school officer.—*Hamtramck Twp. Bd. v. Holihan*, 46 / 127. Refusal to sign the director's orders for the payment of money is not alone sufficient cause for removal of the moderator, for he has a right to determine for himself whether the order should be issued.—*Stockwell v. White Lake Twp. Bd.*, 22 / 341. Persistent refusal by a director, without cause, to make needed repairs in the school-house furniture, etc., is sufficient cause for removal.—*Hamtramck Twp. Bd. v. Holihan*, 46 / 127. Wilful refusal of a director to sign a teacher's contract, or to accept and file it, or to draw pay orders under the contract, and obstinate neglect to furnish necessary school supplies may be taken into account in proceedings for removal.—*Geddes v. Thomastown*, 46 / 318. A woman moderator cannot be removed for hiring her husband to teach the school.—*Hazen v. Akron Twp. Bd.*, 48 / 188. Nor a director for the purchase, in his discretion, of new seats for the school-house, under an order of the annual meeting "to fix the school-house for the winter term."—*McLaren v. Akron Twp. Bd.*, 48 / 189.

CERTIORARI: Lies to review the proceedings of a township board in removing a school officer.—*Stockwell v. White Lake Twp. Bd.*, 22 / 341; *Crawford v. Twp. Boards*, 22 / 405; 24 / 243; *Merrick v. Arbela Twp. Bd.*, 41 / 630. But mere insufficiency of evidence to establish the cause for removal will

not warrant a reversal of the board's determination, the board being the exclusive judge of the facts.—*Hamtramck Twp. Bd. v. Hollman*, 46 / 127. Township clerk's return as to testimony taken by the board presumed true.—*Taylor v. Shimmel*, 65 N. W. 548.

A special first grade certificate not granted at one of the regular public examinations provided for by law, or one granted without any examination, or one granted upon public examination after election as commissioner, does not qualify. Holding the office of secretary of the board of examiners under act 266 of 1887 (amendatory of chap. 12 of the primary school law, now superseded) is not a qualification.—*People v. Howlett*, 94 / 165. The legislative intent is to keep up the standard of teachers by requiring certain educational qualifications in the persons whose duty it is to examine the teachers and determine their fitness for their work.—*People v. Howlett*, 94 / 168.

examinations in each year at the county seat, which examinations shall begin on the last Thursday of March and the third Thursday of August in each year. From these two examinations certificates of all grades may be granted. The said board of examiners may also in their discretion hold two other regular public examinations, which shall begin on the third Thursdays of June and October at such places as in the judgment of the board the best interests of the teachers may require. From these two examinations only certificates of the second and third grade may be granted. In counties having one hundred and fifty or more districts the said board of examiners may hold one special public examination for each additional twenty-five districts or fraction thereof which special public examination, when appointed, shall be held commencing on one or more of the following dates: The third Friday of February, April and September. The places of holding such special public examinations are also left to the discretion of the board of examiners. At such special public examinations only certificates of the third grade shall be granted. It shall be the duty of the county commissioner to make out a schedule of the times and places of holding special examinations and to cause it to be published in one or more newspapers of the county at least ten days before each special examination.

The board of school examiners shall meet on the Saturday of the week following such public examination held by the county commissioner, and shall grant certificates to teachers in such form as the superintendent of public instruction shall prescribe, licensing as teachers all persons who shall have attained the age of seventeen years, who have attended such public examinations and who shall be found qualified in respect to good moral character, learning and ability to instruct and govern a school, but no certificate shall be granted to any person who, having arrived at the age of twenty-one years, is not a citizen of the United States, and who shall not have passed a satisfactory examination in orthography, reading, writing, grammar, geography, arithmetic, theory and art of teaching, United States history, civil government and physiology and hygiene, with the reference to the effect of alcoholic drinks, stimulants and narcotics upon the human system. The board of examiners shall have the right, however, to renew without examination the certificates of persons who shall have previously obtained an average standing of at least eighty-five per cent in all studies covered in two or more previous examinations and who shall have been since such last named examinations continuously and successfully teaching in the same county. All certificates shall be signed by the county commissioner and by at least one other member of the board of examiners.

All examination questions shall be prepared and furnished by the superintendent of public instruction to the county commissioner under seal, to be opened in the presence of the applicants for certificates on the day of examination.

(4813) SEC. 6. There shall be three grades of certificates granted by the board of school examiners, in its discretion, and subject to such rules and regulations as the superintendent of public instruction may prescribe, which grades of certificates shall be as follows: The certificate of the first grade shall be granted only to those who have taught at least one year with ability and success, and it shall be valid throughout the State for four years: Provided, That all examination papers for first grade certificates, favorably passed upon by the board of examiners, together with such certificate shall be forwarded to the superintendent of public instruction within ten days from date of examination for inspection: And provided further, That no first grade certificate shall be valid in any county other than that in which it is granted, unless approved and countersigned by the superintendent of public instruction and a copy filed with the county commissioner in the county in which the holder of said certificate desires to teach. The certificate of the second grade shall be granted only to those who shall have taught at least seven months with ability and success, and it shall be valid throughout the county for which it shall be granted for three years. The certificates of the third grade shall be divided into two classes known as A and B. Third grade certificates of class A shall be granted only to persons who have taught successfully and continuously for at least three years next preceding the examination, in primary departments of graded schools, and the [certificate] certificates of this class shall entitle the holder to teach in primary departments of graded schools only. Third grade certificates of class B shall license the holder to teach in any school of the county in which it shall be granted, for one year; but no more than three certificates of this class shall be granted to the same person: Provided, That the county commissioner shall have power upon personal examination satisfactory to himself or herself to grant certificates which shall license the holder thereof to teach in a specified district for which it shall be granted, but such certificate shall not continue in force beyond the time of the next public examination and in no case

Am. 1893, p. 36; App. Apr. 18; Eff. Aug. 28; Act 34.

CERTIFICATES: The general policy of the school law is that schools shall be taught by qualified teachers, but necessities may arise where this cannot be done. When such necessity arises, the district may employ a teacher without a certificate, if the board is satisfied of his qualifications and pay him out of any moneys except primary school money and mill tax.—Hale v. Risley, 69 / 586. As to the liability of the district for such services, see *Id.*; Stockdale v. Sch. Dist., 47 / 226; Crane v. Sch. Dist., 61 / 299; Smith v. Sch. Dist., 69 / 589. See Sch. Dist. v. Cook, 47 / 112. A certificate issued to one who has not taken an examination at all and whose qualifications are not ascertained upon an examination, is not such a certificate as the law provides for.—People v. Howlett, 94 / 170-1. The action of the board of examiners in refusing a certificate cannot be questioned by the rejected applicant in a suit to recover wages she would have earned under her contract but for such adverse action.—Lee v. Sch. Dist., 71 / 361. A certificate, issued for three years, cannot be legally extended by the secretary, by being changed to read for four years, after the board of examiners who issued it have gone out of office.—Bryan v. Sch. Dist., 68 N. W. 74.

SPECIAL CERTIFICATES: The secretary of the board (under the old law) had no right, after the refusal of the board to grant a certificate, to issue a special certificate to the rejected applicant.—Lee v. Sch. Dist., 71 / 361. The object of a special certificate is to bridge over the time between the commencement of a school and the next meeting of the examiners and such a certificate has life only until the next regular examination.—*Id.*; People v. Howlett, 94 / 170.

Suspension of certificates, etc.

(4814) SEC. 7. The board of school examiners may suspend or revoke any teacher's certificate issued by them for any reason which would have justified said board in withholding the same when given, for neglect of duty, for incompetency to instruct or govern a school, or for immorality, and the said board may, within their jurisdiction, suspend for immorality or incompetency to instruct and govern a school the effect of any teacher's certificates that may have been granted by other lawful authority: Provided, That no certificate shall be suspended or revoked without a personal hearing, unless the holder thereof shall, after a reasonable notice, neglect or refuse to appear before the said board for that purpose.

Proviso.

Carver v. Sch. Dist., 71 N. W. 861.

IMMORALITY: A communication representing that a certain person was of bad moral character and unfit to have the care of a school, made in good faith for the purpose of preventing such person's teaching the school, is privileged and is justified by proof that he is a blasphemer, habitually profane and a Sabbath-breaker.—Wileman v. Mabee, 45 / 484.

Duty of commissioner. Notice of qualification.

(4815) SEC. 8. It shall be the duty of the county commissioner: First, Immediately after his or her qualification as commissioner, to send notice thereof to the superintendent of public instruction and the chairman of each township board of school inspectors of the county;

List of teachers, etc.

Sixth, To visit each of the schools in the county at least once in each year and to examine carefully the discipline, the mode of instruction, and the progress and proficiency of pupils: Provided, That in case the county commissioner is unable to visit all the schools of the county as herein required, the said commissioner may appoint such assistant visitors as may be necessary, who shall perform such duties pertaining to the visitation and supervision of schools as said commissioner shall direct: Provided, That the whole expense incurred by such assistant visitors shall not exceed the sum of ninety dollars in any one year;

To visit schools, etc.

Proviso as to assistant visitors.

Seventh, To counsel with the teachers and school boards as to the courses of study to be pursued, and as to any improvement in the discipline and instruction in the schools;

Improvement of schools, etc.

Ninth, To receive the duplicate annual reports of the several boards of school inspectors, examine into the correctness of the same, requiring them to be amended when necessary, indorse his or her approval upon them, and immediately thereafter and before the first day of November in each year, transmit to the superintendent of public instruction one copy of each said reports and file the other in the office of the county clerk;

Each member of the board of school examiners other than the county commissioner shall receive four dollars for each day actually employed in the duties of his office. The compensation of any assistant visitor, when appointed as provided in this act, shall be determined by the county commissioner, but in no case shall it exceed three dollars for each day employed. I hereby certify that the above is a faithful and correct register of said school.

A..... B....., Teacher.

NOTE.—The above register properly certified by the teacher, should be filed with the director of the district immediately after the close of the school. Each column under the head of "Attendance in Days" is designed to embrace the number of days *present* each week, and the sum of days *present* during the term given in the twentieth column to the right. The words "for weeks commencing" (in the above form) refer to "January 6" in the left hand column under the head of "Attendance in Days," etc. The star, thus*, denotes the studies pursued by each pupil. To ascertain the average number of days scholars attend school, add together the number of days of attendance of all the pupils (as found in twentieth column) and divide this sum by the number of pupils who have attended school.

The teacher should mark out this *average* and indicate upon the register for the convenience of Director. Under the provisions of §2, the teacher is required to certify in the register, before placing it in the hands of the Director, whether or not instruction has been given in physiology and hygiene, with special reference to the effects of alcohol and narcotics upon the human system, in the school or grade presided over by the teacher.
